Enjoy our 2 other Parks

Extend your adventure across the scenic North and East Coasts of Tasmania by spending time at our other two parks, which we can pre-book for your convenience. Each park serves as an excellent base to explore the surrounding attractions. Ulverstone offers a beautiful beach, shopping, playgrounds, and access to nearby attractions like Penguin, Devonport, Leven Canyon, and Cradle Mountain. St Helens, a fishing town near Bay of Fires, is a haven for mountain biking and game fishing. Only 2 hours to the Freycinet Peninsula, the region offers many wineries and local eateries. Join the BIG4 Perks+ membership program for discounts at our parks, and all across Australia.

Things to do in area

The Nut, Tasmania's iconic volcanic plug, offers stunning panoramic views of Stanley and surrounding landscapes. Reach the summit via a steep 10-20 minute walk or a 5-minute chairlift ride (closed in winter) that ascends 95 metres to over 250 metres. Remember to check weather conditions before your visit and note that a fee applies for the chairlift experience.

Stanley's main street is a delightful journey through time, characterised by beautifully preserved historic buildings that narrate tales from the town's vibrant past. Ramble through the shops and cafes. Follow the Stanley Heritage Walk, a self-guided walk that explores the history, architecture and culture of this diverse village. Download the PDF: www.stanleyheritagewalk.com.au

Discover Australia's largest and the world's second largest cool temperate rainforest on Tarkine Drive. Journey through its expansive wilderness, filled with scenic walks, magnificent lookouts, historic sites, and cosy picnic spots. Prepare for a remarkable encounter with nature on this unforgettable route.

Park Rules

- **Quiet Time:** Please keep noise to a minimum between 9:00pm and 9:00am.
- **Children:** Please provide adequate supervision for your children at all times.
- **Smoke Free:** Smoking is not permitted in any Park buildings, enclosed areas, cabins or playground areas.
- **Parking:** Each cabin or site has provision for the parking of 1 vehicle only.
- **Pets:** We welcome pets on certain sites only. Pets are not permitted near the beachfront sites due to penguin habitats, or in Park cabins and buildings (other than registered guide dogs).
- **Day Visitors:** Park in Visitors car parking area only.
- **Garbage:** Wrap all garbage in bags and place in outside bins.
- **Camp Fires:** Fires are not permitted in the Park.
